ORDER IN COUNCIL.

GOVERNMENT HOUSE, VICTORIA.

Wednesday, the 1st day of August, 1894.

PRESENT:

HIS HONOUR THE LIEUTENANT-GOVERNOR
IN COUNCIL.

ON A MEMORANDUM from the Honourable the Attorney-General, dated the 27th day of July, 1894, calling attention to the apparent omission from the published list of voters of a number of names of voters in the Cassiar District whose names were entered upon the Register of Voters for the Cassiar Electoral District, as appears by the Register signed by J. L. Crimp, Collector of Votes for Cassiar, on the 1st day of September, 1885, who, there is reason to believe, are still resident in the portions of the said District upon and north and east of the Stickeen River and adjacent thereto, and otherwise entitled to vote at the election to be holden in the said District, and it appearing that such names have not been dropped from the list or published in the Gazette under the provisions of the "Legislative Electorates and Elections Act, 1894," but have been omitted solely through accident or inadvertence:

The Committee of Council remark that unless the omission aforesaid be rectified a number of persons, otherwise justly entitled to vote, will at the ensuing election be disenfranchised, and that it would be inexpedient and unjust to deprive these persons of their franchise through no fault or omission of their own, therefore, for the purpose of rectifying the omission and inadvertence aforesaid, His Honour the Lieutenant-Governor, by and with the advice of His Executive Council, and under the powers conferred by section 21 and two succeeding sections of the "Legislative Electorates and Elections Act, 1894," and under all other powers him in that behalf enabling, has been pleased to order, and it is hereby ordered, that the Deputy Returning Officer who shall conduct the election at the polling places herein mentioned be authorized and required to add to the Register of Voters the names of all those persons who he may be satisfied are resident within the said Cassiar Electoral District, and whose names appear on the said Register of Voters for the said Stickeen Polling Division, as certified by the said J. L. Crimp on the

said 1st day of September, 1885, but have been omitted from the last published list of voters, and that the persons whose names are so added be permitted to vote at the polling places respectively, as follows, viz.: At Telegraph Creek, 30th August; at Laketon, 5th September; and at McDame Creek, 10th September. And further, that the Register of Voters, when amended as aforesaid by having the said names added thereto, shall be as valid and effectual as if finally settled and revised by the Collector of Voters.

Clerk, Executive Council.

VANCOUVER CITY BY-LAWS.

BY-LAW No. 210.

A By-law to License and Regulate Milk Vendors.

WHEREAS it is deemed expedient in the interest and health of the City that all milk vendors shall be licensed and the sale of milk regulated;

Be it therefore enacted by the Mayor and Council, in open Council assembled, as follows:—

1. All dairymen and vendors of milk shall be licensed. Any person or persons selling or offering for sale or disposing of any milk or cream without first having obtained a license so to do under the provisions of this by-law, and without complying with the provisions contained in the by-law under which such a license may be held, shall be deemed to be guilty of an offence and punishable as hereinafter provided.

2. Every dairyman or person wishing to sell milk in the City of Vancouver shall make written application to the License Inspector for a license so to do; such application shall be in the form in the Schedule hereto, and shall contain the following information: The name and address of the applicant, the source or sources from which he obtains his supply of milk, the number of cows in his possession, the average quantity of milk disposed of, either to milk vendors, milk shops, or to private consumers, the kind of food supplied to the cows, if of brewery grains, ensilage, or oil-cake, the amounts in proportion to the total food supplied, and a written agreement in the form of the second Schedule hereto, signed by the farmer, farmers, or dairyman from whom he obtains his supply, that he or they are willing that his or their farm or farms, cows, food and water supply shall be inspected from time to time by the Health Inspector of the City, or by any agent duly authorized by him so to do, the kind of food supplied to the cows, and the situation and nature of water supply for the cows.

3. On the above requirements being complied with by the applicant and the payment of the license fee hereinafter provided for, and on the Health Inspector being satisfied with the inspection of the premises, cows food, and water supply, he shall grant to the applicant a license to vend milk in the City.

4. The licensee shall comply with all the clauses of the "Health By-law" for the time being of the City.

5. The licensee shall have placed in a conspicuous place on every waggon or vehicle from which milk is sold the name of the licensee and the number of the owner's license, and on every milk can from which milk is sold the name of the farmer, dairyman, or person who supplied the milk to the licensee.

6. The licensee, in the event of his obtaining any milk from any other farmer, dairyman, or person than those mentioned in his application, shall before doing so inform the Health Inspector, and shall produce to the Health Inspector a consent form, as contained in the second Schedule hereto, by such farmer, dairyman, or person, that he will allow his premises, cows, water, and food supply to be inspected by the Health Inspector during such time as he may so supply the licensee.

7. The licensee shall forfeit his license and be subject to the penalties of this by-law if at any time he sells or offers for sale milk obtained from a farmer, dairyman, or person who refuses to sign the consent, or having signed, refuses to have his premises, cows,

and food supply inspected by the Health Inspector or his agent.

8. The license fee shall be five (\$5.00) dollars per annum, payable half-yearly on the 1st day of January and first day of July in each year. If the license shall be taken out during the currency of any half-year it shall be \$2.50, and shall expire on the succeeding 1st of January or 1st of July.

9. All milch cows and cow-byres, and all dairies or other places at which milk is sold or kept for general use shall be subject to the inspection of the Medical Health Officer and Health Inspector or their authorized agent, and all such places as aforesaid shall be kept and conducted so that the milk shall not contain any matter or thing liable to produce disease, either by reason of adulteration, contamination with sewage, absorption of disease germs, infection of cows, personal uncleanness, or any other recognized cause, and upon such condition being broken the license may be revoked by the Board of Health.

10. Each dairyman or milk vendor shall comply with the various clauses of the "Health By-law" by giving notice to the Board of any cases of contagious animal diseases occurring amongst his cattle or from any cattle on the farm from which he obtains milk, or of any contagious disease named in the "Health By-law" in his family, or in the farm-house or shop at which or from which or in which the milk is either sent or received.

11. No milk that has been adulterated, or that has been reduced or changed by the addition of water or other substance, or by the removal of cream, nor milk known as swill milk, nor milk from cows or other animals fed upon a distillery slop, starch factory products, garbage or other like substance, nor any butter or cheese made from any such milk shall be brought into, held, kept, or offered for sale at any place in the City of Vancouver, but skimmed milk may be sold as such if contained in cans bearing upon their exterior the words "skimmed milk" placed conspicuously in letters not less than two (2) inches in length, and served in measures also similarly marked. No person shall supply such skimmed milk unless such quality of milk is asked for by the purchaser.

12. All dairymen and vendors of milk and all drivers of said milk waggons or vehicles having the milk in their possession at the time shall furnish the Medical Health Officer or Health Inspector, or any person appointed by him, with such samples of milk as he or they may have from time to time and at such place as the samples may be demanded from them.

13. Every sample of milk shall have a label attached to the vessel containing it, which shall have written thereon at the time of collecting the number of the sample, date of collection, and the initials of the Inspector, who shall at once enter in a book, carried for that purpose for future reference, a corresponding number, with the name of the owner and driver from whom said samples were obtained, and shall deliver a duplicate of such sample in a sealed bottle or vessel to the person from whom the sample was taken.

14. Every sample shall be examined separately, according to its number, by the Medical Health Officer, who shall register the percentage of butter-fat opposite a corresponding number in a book kept for the purpose, the name of the owner to be subsequently inserted.

15. Any person who violates any of the provisions of this by-law shall be liable on a first conviction to a penalty not exceeding \$20.00, and on any subsequent

conviction not less than \$20.00 or exceeding \$100.00, upon conviction before the Mayor, Police Magistrate, or any Justice or Justices of the Peace having jurisdiction in the City of Vancouver, on the oath or affirmation of any credible witness, and in default of payment thereof it shall be lawful for the Mayor, Police Magistrate, Justice or Justices of the Peace convicting as aforesaid to issue a warrant under his hand and seal, or in case the said Mayor, Police Magistrate, Justice or Justices of the Peace, or any two or more of them acting together therein, then under the hand and seal of one of them, to levy the said penalty with costs, or penalty or costs only, by distress and sale of the offender or offenders' goods and chattels, and in case of no sufficient distress to satisfy the said penalty and costs, or penalty or costs, it shall and may be lawful for the Mayor, Police Magistrate, Justice or Justices of the Peace convicting as aforesaid, or any of them, to commit the offender or offenders to the common gaol or to any lock-up house in the City of Vancouver for any period not exceeding two months unless the said penalty and costs, or penalty or costs, be sooner paid.

SCHEDULE 1.

I, _____, hereby apply for a license to sell milk in the City of Vancouver on the following conditions:—

1. That I will observe the conditions and provisions of the above by-law.

2. That I obtain the milk which I sell from the following farmers, and dairymen, and premises.

3. That the premises and cows from which I obtain my supply of milk are free from all disease, are clean and not contaminated with the sewerage or matter likely to produce disease.

SCHEDULE 2.

I, _____, supply milk to _____, milk vendor in the City of Vancouver, that I am willing and consent that the Medical Health Officer, Health Inspector, or an agent duly authorized by either of them, shall at any time that they may so desire and during the period I supply milk to be sold or consumed in the City of Vancouver come on to and inspect the premises on which the cows are kept, the food and water given to the cows, the cans or receptacles in which the milk is kept.

No. 233.

A BY-LAW

To provide for the regulation of Ross Bay Cemetery and certain lands adjacent thereto proposed to be used for Cemetery purposes.

WHEREAS by virtue of an Act entitled "The Cemetery Ordinance Amendment Act, 1879," the lands known as the Ross Bay Cemetery and certain other lands acquired for cemetery purposes by the Trustees under and by virtue of the trust deed and letters patent mentioned in the said Act are held and vested in the Corporation of the City of Victoria and their successors, in trust for the proper maintenance of the said Cemetery, and for cemetery purposes generally, subject to the provisions and conditions therein mentioned:

And whereas the Municipal Council of the Corporation of the City of Victoria has purchased certain lands adjoining and lying to the west of Ross Bay Cemetery, being Sections 80 and 81A, Fairfield Farm Estate, Victoria City, for cemetery purposes, under the powers conferred by the Municipal Act, 1892, and amendments thereto:

And whereas the Council of the said Corporation has acquired certain other land adjoining and lying to the east of Ross Bay Cemetery aforesaid, being Lot 9, Division 1, of Section xix, Victoria District, now Victoria City, containing 2.82 acres, more or less, for Cemetery purposes, as an addition to that portion of Ross Bay Cemetery now held by the Church of England, but subject to the provisions of the Cemetery Ordinance Amendment Act, 1879.

And whereas under and by virtue of sub-section 27 of section 104 of the said Municipal Act, 1892, the said Council is authorized to make by-laws (*inter alia*) to provide for the regulation of cemeteries:

And whereas it is expedient to repeal the Ross Bay Cemetery By-law, 1879, and to make certain new rules and regulations for the regulation of the said Ross Bay Cemetery land and lands adjacent thereto to be used for Cemetery purposes:

Therefore the Municipal Council of the City of Victoria enacts as follows:—

1. The Ross Bay Cemetery By-law, 1879, is hereby repealed and the following By-law substituted therefor.

2. The land formerly called or known as the Ross Bay Cemetery land, together with the additional lands adjacent thereto which have been acquired by the Corporation of the City of Victoria for cemetery purposes as hereinbefore recited, shall hereafter and for the purposes of this By-law, be called or known as "The Ross Bay Cemetery."

3. The words "Cemetery" "Committee" "Secretary" and "Caretaker" herein shall mean and refer to the Standing Cemetery Committee, the Secretary and the Caretaker of the Cemetery respectively, for the time being, appointed by the Council of the Corporation of the City of Victoria.

5. The license referred to in the last preceding section shall be subject to the following regulations, as if embodied therein in full, and to the regulations contained in this by-law (or any other that may be passed by the Council from time to time), which said regulations shall apply to every portion of the Cemetery, unless otherwise provided:—

6. If the holder of any lot or lots in any portion of the Cemetery, other than in the Blocks known as Blocks A, B, C, D and H, shall at any time have no use for and be desirous of disposing of or transferring same to another, he or she shall first obtain the consent in writing of the Cemetery Committee, and furnish the Secretary with full particulars as to the name, address, occupation, or other description of the party to whom such disposal or transfer is desired to be made, and in the event of the Cemetery Committee consenting to such disposition or transfer, the same shall be effected by an endorsement, signed by the Secretary, to that effect, upon the license issued in respect to such lot or lots.

7. The consent, if granted by the Committee, shall be recorded by the Secretary, with particulars, in the book to be kept for that purpose.

8. Whenever any lot or lots in the portion of the Cemetery known as Blocks A, B, C, D and H is or are disposed of or transferred from one holder to another, the owner or owners of the said Blocks A, B, C, D and H, respectively, or the agent or agents of such owner or owners respectively shall, directly the same shall come to his or their knowledge, report the particulars of the disposal or transfer to the Secretary, and the Secretary shall thereupon enter the same in the proper records.

10. Fences and railings, walls (except in the case of a vault or a brick grave) and hedges in and around

lots are prohibited, but cut stone or granite coping will be allowed, and when used the same shall have a stone foundation at least eighteen inches below the surface of the ground.

IMPROVEMENT AND CARE OF LOTS.

11. The holder of any lot or lots shall keep the same properly graded and turfed, and have the grass regularly mown and kept green and free from weeds, and keep in proper repair all stones or monuments erected on the same; such work and repairs to be done to the satisfaction of the Caretaker or Cemetery Committee.
